Dear Sir:

RE: Norval Morrisseau Show at Artworld of Sherway

Please be advised that I am counsel for Mr. Morrisseau and Mr. Morrisseau's Power of Attorney, Gabor Vadas. I enclose a copy of an Affidavit with attached Exhibit as sworn by Mr. Morrisseau April 24, 2003, describing numerous fakes and imitations as listed in a catalogue put out by the Maslak-McLeod Gallery. If any of those pieces are for sale by your gallery this weekend, please realize that you are selling fakes.

Please also be advised that Mr. Morrisseau does not have any Representation Agreement with Maslak-McLeod and does not acknowledge any representation of him and his works by Maslak-McLeod. Further, please be advised that Mr. Morrisseau does not recognize Maslak-McLeod as being able to authenticate any of Mr. Morrisseau's works.

Please govern yourself accordingly.

Yours truly,
