Hi Jim,

I trust and hope everything is well. Yes, we should get together. I launched my web site www.norvalmorriseaulawsuit.com last week and will launch www.norvalmorriseaulegaldefencefund.com today or tomorrow. I am now going to focus my attacks on the individual members of the NMHS and the organizations they work for. It's going to get ugly but that's okay. In fact, i am going to start at the bottom of the barrel because it's going to get their eventually-so why not start there. I think (me, you, donna, sonny, Micheal Rog etc) in the middle of next week. I have a plan I think will work.

Sincerely,

Joe Otavnik
