Dear Carol,

First and foremost. I am
personally writing you this
letter thanking you for
your patience. in regards
to Rent etc: first. I was
living in Thunder Bay. I was
invited to attend an Art Show
at first Canadian place. as
you may know the building
holds prestige. meaning its
own by a wealthy people.
but as always due to
poor Management. meaning
Agents or Agent. it did
not Run well.

these are the same people
who rented this space
for us. we worked
with Tony Hiddell and
Steven Harvey: and had
to fine them. there
was lots of talk but
No Action: then Richie
Step into the scene from
god know where and
started a round of
talk's what we should
do etc. again (we)
or myself had to take
Richie Sinclair. to leave
on Present's

for he was Not
 getting us any where:
 Except Divent us from our
 Coal for what we wish
 to do me. and today,
 we told him to leave.
 then came hanny from
 white bear Gallery in
 mURKHAM, gave him paintings
 to Sell for the last
 two weeks all we had
 was lots of talk but
 No Action. for that is
 why I went to your
 office to say I would
 be Responsible for the
 Rent etc. last Fri.

because he was ~~to~~
 Suppose to sell one
 painting for us. he
 sold one painting the
 painting was sold and
 was to be payed by
 PERSONELL Check and would
 take 2 weeks to clear etc.
 we suggested a Certified
 Check instead but the
 Check should be here
 Thursday. we let it Rest
 at that. and fine the
 white bear Gallery owner.

No more people working
 trying ^{on} to work because
 it a waste of time.

5

in the Mounttime while every
Person or Agent that tried
any thing for us in Regards
to Art have failed to work
out for them. and I wish
to forget Completely about
these people.

Now I wish to Speak for
myself and tula what we
Have been doing ourself
without any one knowing
what our Ideas and
Intentions Are. and I wish
to Share them: we made a
painting for Lily murroe.
Minster of Culture. and today

we are taking a painting which she choosed for her office: we should have bread to-day.

2- we have letters of contact from T. + C. Mr Porter and Dave Crombie ^{Minister of Indian Affairs -} to do a mural for the Subway Stop at the Museum. we are offered three hundred thousand Dollars Prodyect. every thing is Ready for us. the painting - and Porcelien paneks to be fired and Glaze etc. all we are waiting for is mr

Crombie the Minister of
Indian Affairs to Return
back from Russia. then
me and tula will meet
with mr Crombie here at
his office on wednesday
June 10. where by the
go ahead will be made
officially and legal. then
we will get a fronted or
given some of the money
involved to start the project.
then we are free from
Agent-Gallery- and funny people.
So we will need your
space here to work from.
the project will take

us about 3 weeks to
finish:

also I wish to ask.

how many paintings did
Ritchie bought over to your
office. I believe it was
two panels of flowers:

if you are interested
personally for those two
panels I will give them
to you plus one more
for space up here. until
we see Crombie & then
I will pay you Rent
plus Clean up the Carpets etc.
at our Expence.

the paintings involved.
will be yours for your
understanding and patience
