**Mr. Ritchie Sinclair**

Dear Mr. Sinclair:

**Subject: Otavnik v. Sinclair and Kinsman Robinson Galleries ("KRG")  
Court File No. SC-09-00082782-0000**

I understand from Paul Robinson that you have either refused or been advised to not sign the Consent form for an Order dismissing Mr. Otavnik's lawsuit against KRG and KRG's Defendant's Claim against you. My client is confused as to why you will not co-operate in these efforts. Without your consent, KRG will be required to bring a motion to the Court for the desired Order which will cause KRG to incur unnecessary legal costs. As the requested Order appears to have little or no impact on you, KRG anticipated your co-operation. If you have any specific concerns with the requested Order, please contact the undersigned so that we may address them.

If you will not consent to this Order, then KRG will have no choice but to bring a motion for the desired relief and seek the appropriate costs ordered against you. KRG hopes that this will not be necessary and asks that you reconsider signing the requested Consent, a copy of which is enclosed together with a pre-addressed stamped, envelope for your convenience.

Yours truly,

**FRASER MILNER CASGRAIN LLP**
